## 2. Allied Hours (all courses must be at least 3 credit hours)\*

### 2.1 Natural science: Three courses

Any 3 courses from Biology, Chemistry, and/or Physics

### 2.2 Electives: Choose two courses from the following list:

*Strongly recommended*

- HSP 5000 Health, Society, and Policy Capstone

*Other elective options*

- Biology (any course)
- Chemistry (any course)
- Physics (any course)
- Psychology (any course)
- Nutrition (any course)
- FPMD 4500 (Public Health: A Global Perspective)
- FPMD 5005 (Introduction to the Medical Profession)
- Philosophy 3520 (Bioethics)
- Sociology 3671 (Sociology of Health)
- Sociology 3673 (Social Epidemiology)

***\*Any of the above courses will count as allied hours for the Anthropology major but students may need additional courses to meet all of their prerequisites for medical or other professional schools. It is the student's responsibility to meet with the appropriate advising office to determine what prerequisites they need to take.***
