ANTHROPOLOGY
CULTURAL ANTHROPOLOGY EMPHASIS

EMPHASIS DESCRIPTION

The study of human cultural diversity through ethnographic, demographic, historic, and linguistic analysis. The cultural anthropology emphasis is designed to give the undergraduate major experience with a wide range of human cultures—prehistoric, protohistoric, and modern. Further, this emphasis is designed to give the student the basic evolutionary and theoretical background needed to understand human cultures through ethnographic and statistical analysis.
REQUIRED CLASSES

*Indicates a prerequisite
