

**ANTHROPOLOGY  
HUMAN ECOLOGY EMPHASIS**

## **EMPHASIS DESCRIPTION**

The Department of Anthropology's major with emphasis in Human Ecology combines our core human ecology courses into a cohesive program designed to prepare Anthropology majors for careers in non-profit and government sector positions relating to environmental management, sustainability and conservation. This emphasis is explicitly designed to train students to deal with pressing social and environmental issues through rigorous theoretical training and "hands-on" practical experience.
