

Department of ANTHROPOLOGY

UNIVERSITY OF UTAH | GRADUATION 2018

SEE YOU FALL SEMESTER! GARDNER COMMONS, HERE WE COME!

With the close of the semester, the move is right around the corner! Whether it is the Graduation Social or a final exam, every day we are doing something in Stewart for the last time. We will miss the Good ol' Stewart Building, but look forward to a bright future in the Gardner Commons. Check our Facebook page for details about our upcoming goodbye to Stewart Social.

CSBS RESEARCH DAY

First Place Poster Winner, Kurt Wilson

Although the number of submissions was normalized for department size, Anthropology didn't require much help to go against the much larger departments, as 21 of 67 Posters were presented by Anthropology Students

Graduate and Undergraduate researchers came together and once again, the Anthropology Department came away victorious; not only taking home the Research Day Cup for the 5th year running, but also dominating the field for Graduate Research Posters. Winners included:

Kurt Wilson, 1st Place - \$250

Kenneth Blake Vernon and Kate Magargal (Tie), 3rd Place - \$100

Peter Yaworsky, Student Choice - \$100

Third Place Poster Winner, Kate Magargal

Special thanks goes to Dr. Brian Coddington, who served as faculty mentor for the majority of students who presented posters in this event.

Third Place Poster Winner, Blake Vernon

Anthropology Faculty Receiving the Research Day Cup from Associate Dean Richard Forester

Student Choice Award Winner, Peter Yaworsky

ANTHROPOLOGY GRADUATES: PHD

Michael Lewis, PhD

"Stable Isotope Ecology Baselines
and Human Diet Reconstruction:
An Example From Basketmaker II
Burials At Cedar Mesa, Utah"

Ashley Parker, PhD
